INK COMPATIBILITY

3609 Picasso Canvas is a premium, bright white inkjet coated canvas crafted to produce solid blacks, vivid colors, and smooth gradients. The 16.5 mil poly/cotton blend provides a flexible base for easy stretching without cracking.

This high-quality canvas is designed to work seamlessly with solvent and latex printers, making it a versatile choice for a wide range of professional printing applications. Its exceptional print quality and durability make it ideal for producing high-resolution artwork and photographs.
