

Tiger Series

Product features

- ◆ High efficiency 115lm/W
- ◆ 170° beam angle, high efficiency, high uniformity lens
- ◆ Constant current driver ensuring a string of module working stably
- ◆ Aluminum PCB for excellent heat dissipation
- ◆ 5 years warranty
- ◆ Suitable for 2.5"-8" back-lighting lightbox

Tiger series

MAT11F

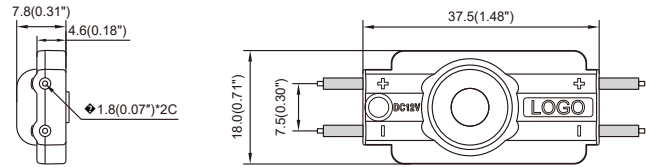

Dimension	37.5*18*7.8mm(1.48*0.71*0.31")
Center distance	142mm(5.59")
Power	0.4W±10%
Working voltage	DC12V
Driving mode	Constant voltage/Constant current
Cascading	50pcs
IP grade	IP65
Working temp	-20~+45°C
Storage temp	-30~+70°C
